Elections for Area Service were held at this time:

Before we held Elections, we held a recount of all voting GSRs: **7**

Valorie led elections, and there were several motions regarding area service positions. After each nomination was brought forward, each nominee was asked a series of questions, and then votes were counted. Before each nomination was conducted, the clean time requirement was explained and whether or not the position was money- holding

The results are as follows:

- **Secretary***- Megan from Serenity Café nominated Rose for Secretary, she met the clean time and was elected. There was a motion regarding this, see new business for details
- H&I Subcommittee Chair- Gwen from Afternoon Delight nominates Sammy for H&I chair, she met the clean time and was elected.
- Activities Subcommittee Chair- Megan from Serenity Café nominated Dave for Activities Subcommittee Chair, he met the clean time and was elected.
- **Vice Literature Coordinator***- Natalie H from Atmosphere of Recovery nominates Mike K for Vice Literature Coordinator, there was a motion regarding this, see new business for details. He met the cleantime and was elected.

As aforementioned, as each position was nominated, the clean time requirement was checked and it was noted whether or not it was listed as a money holding position. In a previous motion from October 2018, it was voted on in NPASCNA that we will no longer waive any clean time for any money holding positions. The motions made were to be able to have any home group member (not specifically the GSR) be able to nominate that specific person for that position, they passed.

Sharing Session:

The sharing session was used to discuss how to get more people to area service.

Old Business:

There was one motion regarding the need to meet hybrid should that ever be a necessity again. There was a recount of 5 voting GSRs and the motion passed 3-2-0 in favor of the motion.

New Business:

There were three motions this month. Two were specific to elections and the intent was to be able to have any home group member (not specifically the GSR) be able to nominate that specific person for that position, they passed. These motions will be attached to the minutes. The third motion was to make a donation of \$397.52 to region and this passed unanimously.
