MOTION FORM

Date: May 2023

MOTION: Add the Literature Coordinator as an authorized cosigner to the North Pittsburgh NA bank accounts and contracts. This would make the literature coordinator the third potential signer - in addition to the Area Chair and P&A Chair.

INTENT: Per current policy, there should be two signers on each check. In order to best ensure we're able to conduct business, adding another individual to the bank account allows three possible options to sign the checks. The Literature coordinator was selected because they are a money holding position and area typically has this position filled.
