Russel, Chair, affirmed that no present homegroups were missed in the group reports.

The Area positions currently open were listed: Vice Chair, Policy and Administration Subcommittee Chair, Treasurer, Hospital and Institutions Subcommittee Chair Public Relations Subcommittee Chair, Alternate Regional Committee Member, and Start to Live Programming Liaison. There were no

North Pittsburgh Area Service Committee of Narcotics Anonymous

nominations. GSRs were reminded to continue to announce the open positions. Russel mentioned his use of sponsorship as a way to get additional individuals involved. Ally, Secretary, reminded everyone of the paperwork on the table outlining each position, their clean time requirements, responsibilities, and frequently asked questions regarding how to get involved.

There were no nominations for non-Area/Regional positions.

Subcommittee Reports were performed

[Public Relations Subcommittee](#) – vacant, no report

[Hospitals & Institutions Subcommittee](#) – See subcommittee report

Ally reminded everyone that we cannot announce any of the facilities by name (it is a tradition violation). The location will be listed in the original documentation from the meeting but will be redacted from the uploaded reports and not listed on the website. If there are any questions, you can ask her or another trusted servant.

[Regional Committee Member](#) – see report

Expanding upon the RCM report, Jason (RCM) verified that a new motion was presented at area, prior to any votes being cast, to withdraw the motion regarding the \$2,500. Per Robert's Rules of Order, a motion may be withdrawn as long as there is consensus/no objection. In this case, that procedure was irrelevant since a new motion to withdraw the original motion was made.

Jason said that additional information had become available which lead the trusted servants at Region to feel that the original motion was created in haste. Other attendees discussed whether or not the \$2500 was in fact a tradition violation. Jim, ABR, on behalf of the BOD, stated that the \$2,500 was received because North Pittsburgh Area met their room-quota at the first convention at Erie. In addition, the funds were because of the inconvenience associated with having lodging at multiple locations.

A GSR in attendance asked what we could do as GSRs/Area. Russel indicated that potential options would be discussed. In an attempt to determine whether or not the group wanted to pursue any further actions, the new information was shared with the group. Ally read the attached emails verbatim.

Upon reading the emails, there was no inquiry regarding taking any steps regarding the motion.

While waiting for the treasurer and literature coordinators to finalize their report, a question arose about the new motion. GSRs did not feel empowered to take this motion to their homegroups. They weren't sure of what a zone was. Andrew, one of the GSRs, is part of the zonal ad hoc committee and indicated that they were planning on hosting a learning day to educate the fellowship regarding zones. Jason indicated that all the background he was provided would be available to the GSRs online on the NPASCNA website as well as the regional website (www.TSRSCNA.org) and the Vice Secretary indicated the NA World site was very helpful in answering questions that arise related to anything, including zoning.

[Policy and Administration Subcommittee](#) – vacant – no report

North Pittsburgh Area Service Committee of Narcotics Anonymous

Activities Subcommittee – see report

JC of the activities subcommittee shared the budget information related to the comedian event (note: this info was to be shared in the treasurer's report, but some additional questions arose so this information will be provided at the next Area Service Meeting). Overall, activities subcommittee has a balance of \$1800 coming into April's Area Service Meeting.

Chuck presented the subcommittee report. Additional details regarding the picnic on June 9th were discussed – 12pm to dusk; swimming is free to all attendees; all activities at the park are within a close proximity to the pavilion (Bragdon Park – first grove on the right in Bellevue Memorial Park). Families are welcome. Covered dishes are welcome. There will be no speakers or workshops at the picnic.

The bowling event is next weekend (May 4th). GSRs were reminded that no outside food or drink is allowed but food will be available for purchase. Game and shoes is \$8.

Website Committee – Ryan reported that there were no issues or announcements. Report attached.

Start to Live Programming Liaison – vacant – no report.

Literature Report – see subcommittee report

GSRs were reminded that all orders should be submitted by 5:15pm. They were also reminded that only check or money orders would be accepted (i.e. no cash). Other trusted servants have been providing checks to GSRs that arrive with just cash, but that's not something we should rely upon.

Treasurer Report – See attached

Sharing Session - The sharing session was waived by the GSRs.

Old business – none

New business – as follow-up to the treasurer's report, a motion was presented to donate \$0 to region in order to keep North Pittsburgh at its prudent reserve (motion attached).

Ally reminded the group that the treasurer position was vacant at the Regional level. Not to imply this should prohibit our donation, but so that the GSRs could make an educated decision. Jason, RCM, stated that although the position was empty, there were other Regional Trusted Servants filling in this role in the interim. The funds were being processed. Carl reminded everyone that it was Area practice (not formal policy) not to hold onto funds over the prudent reserve.

GSRs were reminded that May's Area Service would fall on June 1st due to the holiday the last week of May. Russel asked for everyone's patience as next Area Service Gina (vice treasurer) and Ally (secretary) will not be present. Carl, vice secretary, will chair and Russel, Chair, will fulfill the duties of treasurer.

NPASCNA RCM Report

Region met April 13, 2019 at the TRSO. There were 9 out of 21 areas in attendance. Copies of all available Area Reports, BOD/ TRSO Reports and TSRSCNA Reports will be provided to our Secretary for anyone's reference and will be posted on northpittsburghna.org as a pdf. I can also provide copies of these reports for anyone's reference and review. Available Flyers for events inside and outside of our Region have been placed on our information table and given to our Secretary. Regional event postings can also be accessed via www.tsrscna.org. On the right hand side of this page there is an Events button that can be clicked and this page will have the events that can be clicked on which will bring up the event flyer/info.

The Start to Live/TSRCNA has received a check for \$2500.00 from Visiterie.com. I requested a copy of the email explaining the purpose of this check and there is a motion to keep the money. The check was kept last year without a vote. - *The motion regarding the acceptance/return of the \$2500.00 dollars was completely withdrawn. I have more info regarding this if any member has questions.*

An Ad Hoc Committee was formed in August to investigate other Zonal Forums that might better represent our region. More will be revealed. I am a member of this committee and can answer any questions in regards to the committee.

- Looking for more cost effective
- Easier for our members to access and attend
- Investigating formation of our own Zone
- Now creating a budget for 2 people to attend the Autonomous Zone in Philadelphia and the Midwest Zonal Forum
- Possibly leaving all zones
- The North Eastern Zonal Forum (NEZF) that we are a member of has been making proposals to move in the direction of becoming a service body instead of just a sharing body. They meet every month and use consensus based decision making. They have been passing proposals without enough info or time to take back to our regions home groups.

To: Rich M (m)
Subject: Some background on the Visit Erie motion
Attachments: VisitErie Incentive Tri State NA letter April 8, 2019.pdf

Hi Rich,

I'm writing you this message in the hope that this information is not arriving too late to be of use to the Regional Service Committee or to the fellowship at large. I regret that I had not presented a narrative of the events that led to the current situation.

My perspective is somewhat unique, since I was the only person that was present at both the Bayfront Convention meeting in Erie in 2017, and also at the BOD meeting where this "VisitErie" check became the subject of discussion.

I traveled to Erie with Jesse Sc in early 2017 to discuss the "Start to Live" convention for the following year, 2018. Jesse covered the circumstances of the Erie meeting with the Convention Center and Hotels in his email written on March 29th, which follows in its entirety. Since he thoroughly and accurately narrated the negotiations from that day, I need not comment, other than to say that this offer for the VisitErie money from the Bayfront staff was made within the context of softening the impact of a price increase from the hotels.

In December 2018, we received the \$2500 VisitErie check and our BOD treasurer deposited it into our account. The source of the check was questioned by one of the Board members, and some thought it to be a Seventh Tradition violation, which states that "Every group ought to be fully self-supporting, declining outside contributions". The Basic Text (page 71, 6th Edition) clarifies the meaning of this term by explaining "We accept no funding, endowments, loans and/or gifts." But his check is not for funding and is certainly not an endowment, a loan or a gift. As Hannah Stancliff, the Convention Sales Manager of VisitErie wrote in the attached letter:

"As Erie's non-profit Convention and Visitors Bureau, VisitErie is committed to bringing tourism and convention business to Erie County, Pennsylvania. Our intent is to identify conventions that would be profitable for our city (based on group size, number of room nights, time of year, convention space needs, etc.) and assist them in booking and planning their convention at one of Erie's hotels/conference facilities. VisitErie provides these services in order to boost Erie's business community by way of lodging, touring, dining, shopping, and beyond.

Please accept VisitErie's \$2,500 as a Convention Bureau Incentive for the Tri-State Narcotics Anonymous 2018 Start to Live convention. These funds were strictly intended to be an incentive to host this conference in our city and offset convention costs, such as transportation, meals, group functions, etc. and not to influence the Tri State Narcotics Anonymous organization in any way." (this letter was written April 8th, 2019.)

I will be at the RSC committee meeting this Saturday to answer any questions you may have. Thanks for allowing me to comment.

Thanks,

Kenny K
Board of Directors Member, Tri-State Regional Service Office, Inc.

From Jesse S March 29th, 2019

Hey Everyone,

I feel like there has been a lot of confusion about this question, and I asked Rich if it would be OK to give everyone some background on this, as I was directly involved in this process:

Our first contract with Bayfront Convention Center and its two connected hotels was just for one year – Start to Live 34 in 2016. People wanted a test run, and we (as it turned out, mistakenly) believed that we were contractually obligated to have one more convention at Seven Springs – Start to Live 35 in 2017. Convention facilities generally don't like one-year contracts for annual events because they generally need to be booked at least 2 years out. Our contracts for Seven Springs were usually 3 years at a time.

So, we needed to negotiate a new contract immediately after Start to Live 34 if we wanted to be able to have Start to Live 36 in Erie in 2018. Kenny K. and I went to meet with Bayfront in February 2017. At that point, although they wanted us to return, they wanted to either raise the hotel room prices about 30% or greatly lower the number of hotel rooms that were available to us. This is because the convention room rate that they had given us previously was now about half of what their rooms typically go for.

But, the General Manager of the hotels, which along with the convention center are all owned by the Erie County Convention Authority - proposed another option that he thought would be a win for everyone. He made a proposal for us to the Erie Convention and Visitors Bureau (Visit Erie) to have them coordinate our use of the overflow hotels off-site that would have much lower rates than the onsite hotels. That way, they could give us slightly fewer onsite hotel rooms but have a greater number of rooms in Erie available to us, have only a modest room rate increase, and have a diverse array of price options for people. And, to make it up to us, Visit Erie would give us a rebate (the \$2,500) for the inconvenience of having to contract with 8 additional hotels.

This is all semantics - they do not understand our language, and the term was supposed to be a rebate or an incentive, not a sponsorship. There is no expectation of anything on our part. It was just a business arrangement for having enough hotel rooms available for the convention. This is the type of incentive that they will give to any large event that makes arrangements through the Erie Convention and Visitors Bureau.

We negotiate all sorts of incentives in our convention contracts to benefit our fellowship. For instance, where do people think the "free" coffee and cookies come from? How are we able to keep convention registration at \$20 or \$25? By agreeing to a certain level of food purchases. All of these things are done for the benefit of our fellowship to keep Start to Live's registration prices affordable to the greatest number of people. Our registration prices are lower than almost all regional conventions today. Which is great for our fellowship and a testament to the conscientious work of everyone involved.

I hope this this will give everyone a better understanding of this situation.

Yours in service,

Jesse S.
