We have met twice since last Region We have 44 meetings and average 20 groups at our ASC meetings. We elected an RCM and Area Treasurer. David S and Marisa S.

Our Area treasury has been a mess due to poor record keeping and problems getting bank statements. Marisa S with help from our P&A committee has been working to bring order out of the confusion.

We are paying the liability insurance for our groups and have a check for \$440.

Our Area picnic went well and had good attendance. Our activities committee is planning a learning day in September and a Halloween dance in October,

Our PR committee is continuing its poster campaign and starting a letter writing campaign to Area churches and Doctors

Our H&I committee has no chair. A former chair is leading the committee until someone steps up. They have most positions filled but still need help at Ridgeview for girls.

TSRSCNA Region Delegate Report August 10, 2019: RSC Meeting

New Tri-State Region Business

As a member of the Zonal Ad-hoc Committee, I attended the AZF in Philadelphia to observe how they conduct their business and if being a member of their zonal forum would be a good fit for the TriState Region. My observation report is attached. My reimbursement form with my expenses are being submitted.

I presented a workshop on "What is a Zonal" on Saturday, August 3rd at the SWANA Annual Picnic located in Renzie Park in McKeesport. Attending members were very appreciative of receiving the information and are looking forward to attending one of the NEZF Workshops at the STL Convention. My reimbursement form with my expenses are being submitted.

Jesse C, Start to Live designed the NEZF flyer for distribution to all RCM's and various NA social media websites. Jesse and I are working together to create a separate flyer for the regional members and that flyer will be forwarded to be uploaded on the NEZF website.

The next meeting with the NEZF is scheduled for August 24th via ZOOM at which point we will finalize details for the upcoming NEZF of which the Tri State Area is hosting.

I received the vote of confidence from my area (PASNA) to run for the current vacant RD position.

NEZF FD Environmental Scan

History

At the April 2019 NEZF meeting in Rochester, NY, the 12 member regions participated in a strategic planning session. One objective that came out of the strategic planning session was for the NEZF to increase delivery of services across all states and regions within the zone. One approach to increasing service delivery within the zone was to create a Fellowship Development (FD) Ad Hoc.

Chapter 12 of the PR Handbook defines Fellowship Development as: "providing supportive services to any NA member, group, service body or NA community in need. The goal of any Fellowship Development effort is to communicate with and assist NA members and groups."

Purpose

The purpose of the FD Ad Hoc is to create a strategic plan for FD. The scan that follows is the first step in the FD strategic planning process and is meant to create a general picture of the local NA communities and identify the most common challenges and needs of the groups and service bodies. The results of the survey will be used by the Ad Hoc to inform the creation of a plan that addresses the most common issues within our local NA communities.

Much like when we work the steps in our personal recovery, we start with an inventory (the scan) before we develop a plan to get better. Our suggestion is to fill out the scan at your RSC and/or ask RCMs to workshop the scan at their ASCs, however the survey is open to be filled out by any member, group or service body within the NEZF.

The response deadline for the survey is September 30, 2019. Surveys can be filled out via the attached google form link (<https://forms.gle/5ryBojZ2Esznypvx8>), or filled out by hand, scanned and emailed to naimmastay@gmail.com, or you can take pictures of the filled out scan and text the pictures to 315-719-6387.

Zonal Ad hoc Subcommittee Report to Region

8/10/2019

The committee met on 6/15/2019 and on 7/31/2019.

At both meeting only 3 members attended myself, David J, and Toni C.

At the June meeting we discussed and determined who would attend the Autonomy Zonal meeting in July and the Midwest Zonal meeting in August. We decided it would be better if two rather than one of our members attend each Zone. David J volunteered to fund his own way to each of the meeting. We agreed to send Toni C and David J to the Autonomy Zone in Philadelphia on 7/28 and David S and David J to the Midwest Zone in Warren Ohio on 8/17.

We discussed some questions we wanted answered from each Zone. How they are organized. How they interact with each other. how they take votes, what they see as the future of the Zones.

We agreed to meet again after the Autonomy Zone meeting,

We met again on 7/31. Toni C. attended on speaker phone.

David J reported that the Autonomy Zone was just beginning to become organized. They were basically still an information sharing body; That there was no a lot of substance to the weekend meeting. David and Toni agreed there were a number of committed members there. They had no idea how they would handle the future of the Zones.

Toni spoke about the upcoming NEZF meeting at our Convention and how we might address our issues with the NEZF. She is having difficulty recruiting help with the Forum.

David J. reported he will be unable to attend the Midwest Zonal Forum due to a prior commitment. I will be attending the forum and plan to take my wife with me as a second set of eyes and ears. Marisa has served as RCM, NEASCNA Treasurer, Regional Treasurer and Secretary. Our plan is to meet again after the Midwest Zonal Forum and to have a final report and recommendation for the December RSC.

Yours in service,

David S.

Report from Autonomy Zonal Forum Leadership Workshop 7/27 - 7/28

Circle of Home - Recovery Club House, Philadelphia Pennsylvania

Submitted by: Toni C. - Tri State Regional RDA

Saturday, July 27th

Very relaxed atmosphere, it was more of a meet and greet and roughly 100+ people attended. There were breakout sessions and everyone was very engaged.

Regional Representatives from the Chesapeake & Potomac, Eastern PA, Free state, Mountaineer, and Central Atlantic Regions facilitated interactive workshops, Speed Sharing and Presentations.

One topic that the entire group worked on was "Leadership Qualities in a Chairperson on a Group, Subcommittee, Area and Regional Level" The group split up into groups of 6 and each group answered three questions on a large chart paper: 1 What qualities do you like to see in a chairperson/leader 2. What are the difficulties or challenges in being a chairperson/leader? 3. What are some solutions to these difficulties/challenges. After everyone got done then 1 person from the group went up front with the chart paper to show everyone our answers. From that, we picked 1 that was the most important from each section and simplified the list. It was very engaging

Most people had questions about a ZONAL - so we are not alone! I personally felt like that question was not thoroughly answered and could have been explained more with even a worksheet on Zonals.

There was a Speed Sharing (much like Speed Date) and we went around the room and asked questions that were given to us. Some of us could ask our own questions. But we only had 3 minutes for each person. This was very, very fun! I really enjoyed it and think it is an excellent way to break the ice and get to know people. I would like to incorporate this at one of our functions.

They had a panel discussion where all the GPRNA Regional Panel representatives sat up front and introduced themselves and gave the attendees opportunities to ask them questions.

One of the Region members distributed a survey to everyone who was willing to complete (mostly everyone). This survey was from a doctor's office and is being used to gather information to better assist them with understanding addiction and how they can better treat addicts. (I have samples)

There were 2 main speakers from the regional committee and they spoke from 7 - 8pm.

The evening concluded with a magic show with a real live magician. There was no dance and I was surprised that so many people stayed to watch the magic act, which turned out to be very entertaining. The magician had approximately 12 random people from the audience come up front and sit in chairs to get hypnotized. And I was NOT one of them! He did a nice job.

The evening ended a little after 10pm. Light snacks (coffee, fruits, doughnuts) were served during the event but we were responsible for our own lunch and of course dinner.

Sunday, July 28th

The business meeting began at 9am at the Circle of Hope. All regions were present with the exception of Mountaineer. A total of 11 regional members were present including the elected facilitator who chaired the meeting. All regions gave their report. There was discussion around the newly created secretary & treasurer position. The positions were not officially established and now needs votes from their individual region in order to reimburse attending members (Secretary/Treasurer). The Philadelphia region does not do fundraisers.

From 9am - 12noon they spent time getting organized with the following:

- Minutes - everyone is not getting them
- Secretary/Treasurer Position - They thought position was created. They spent money to attend and now are not sure when reimbursement will be available and if groups will vote on new positions.
- New Fee - The proposed new fee for each region is \$300

I asked the group the following questions:

- Do you see this body as a whole evolving to become more of a service body and becoming more organized and structured? Their answer was YES
- Have you ever attended any other zonal forums and incorporated things you learned from? If so, please elaborate - They have taken stuff from the N.E.Z.F

CONCLUSION

My recommendation is that we do not become a part of the Autonomy Zonal Forum.

They are still trying to get established.

One of their region (Mountaineer) is considering leaving but I am not sure why.

Their dues are much higher (\$300 vs. \$50)

They use some of the NEZF items to guide them

Greater New York Region of Narcotics Anonymous / July 31, 2019
Bob W Regional Delegate / John S Regional Delegate Alternate

Proposal: That Northeast Zonal Forum administrative body members submit bimonthly (every 2 months) reports which documents all correspondences and activities relating to NEZF service.

Rational: To promote NEZF administrative body transparency and accountability to the NEZF member regions.

If approved this aforementioned proposal would get added to NEZF Guidelines Section 4 "Trusted Servants".

"When the groups are regularly given full and accurate information from all elements of the service structure, they become familiar with the structure's normal patterns of activity."

As the NEZF has evolved from a purely discussion based service body to one that now does direct service the need to establish an administrative body reporting policy is essential. The NEZF currently has three project plans to raise awareness about the zone and regular administrative body reports would complement those initiatives. The 8th Concept speaks to the importance of service board reporting: "So long as our service boards and committees regularly issue complete, candid reports of their activities, we can be confident that we have delegated our authority wisely."

This proposal would direct the NEZF administrative body members to submit bimonthly reports on all activities related to their positions and/or any other service related to the NEZF. This would include the reporting of all written or verbal correspondences between the NEZF administrative body trusted servants with its member regions.

This proposal reflects common practices of NA service board/ trusted servant reporting. It is unequivocally supported by the 8th Concept: "Our service structure depends on the integrity and effectiveness of our communications." Most importantly, regular administrative body reporting would increase trust, unity, transparency, accountability, and facilitate comprehensive reporting to the regions by the NEZF participants.

MAKER Jodi H

POSITION OR TITLE RD Mid-Atlantic

SECONDED BY Nancy

POSITION OR TITLE RD NNJ

I PROPOSE THAT:

We add the following Accountability Statement to the NEZF Guidelines:

Accountability Statement:

The Northeast Zonal Forum is accountable to its member Regions and ultimately to the final authority within our service structure as stated by our Second Concept – the groups, who retains the final responsibility and authority for all NA services. The Twelve Traditions and Twelve Concepts of Narcotics Anonymous spiritually guide the forum.

INTENT:

To add a clearly defined statement of accountability in the NEZF guidelines keeping the spirit of A Vision of NA Services

FINANCIAL IMPACT:

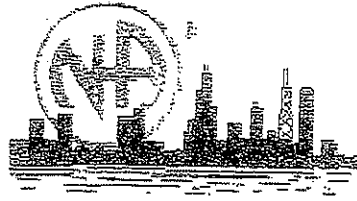

None

POLICY AFFECTED:

NONE

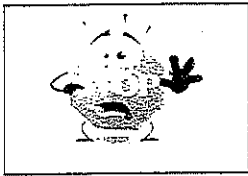

RATIONALE BY MAKER:

There currently is nothing in the Mission/Vision/Purpose that clearly defines the NEZF as being accountable to the groups. We want to hold to traditions, concepts and A Vision of NA Service by clearly defined servitude. In keeping with the "life" that is being created at the Zone we want to be sure the Zone becomes accountable to the groups, as it is no longer just a discussion based committee.
