**MOTION:** Add the Literature Coordinator as an authorized cosigner to the North Pittsburgh NA bank accounts and contracts. This would make the literature coordinator the third potential signer - in addition to the Area Chair and P&A Chair.

**INTENT:** Per current policy, there should be two signers on each check. In order to best ensure we’re able to conduct business, adding another individual to the bank account allows three possible options to sign the checks. The Literature coordinator was selected because they are a money holding position and area typically has this position filled.

GSH's to take back to homegroup for a vote as this is a change in policy
The P&A sub-committee met at 6:30 on 5/12/23 present was the asc chair and vice chair and the sub-committee chair. Further discussion was had about the item from last asc meeting about signing checks and contracts on behalf of the area. After discussion and input from the treasurer it was decided to offer two motions to the body for consideration (1) That there be only one signer on all checks and contracts on behalf of the area that person being the chair. (2) That the new check order have two signature lines and name three signers on all contracts and checks. Since this will be a change in policy as written this will need to be taken back to groups. Yours in service Desmond P S the next P&A meeting will be 6/4/23 before Talking Text Meeting. (6:30 pm)
