INTEREST CHARGE CALCULATIONS FOR OVERDRAFT LINE OF CREDIT ACCOUNTS BASED ON AVERAGE DAILY BALANCE COMPUTATION METHOD

Calculating your Interest Charge

We calculate the interest charge on your Overdraft Line by applying the Daily Periodic Rate to the Average Daily Balance. Then, we multiply that result by the number of days in the billing cycle in which a balance is owed on your Overdraft Line. This gives us the total interest charge for that billing period.

Calculating your Average Daily Balance

To calculate the average bally balance, we take the beginning balance of you Overdraft Line each day (which does not include any unpaid interest charges or fees), add any new loan advances as of the date of those advances and subtract any payments or credits. This gives us the daily balance. Then, we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of your account.

Credit Bureau Reporting

We may report information about your Overdraft Line to credit bureaus for each joint account holder of your checking account. Late payments, missed payments, or other defaults on your Overdraft Line may be reflected in your credit report. If you believe we have furnished inaccurate or incomplete information to a credit reporting agency, write to us at the consumer service address provided and include your name, address, account number, and description of what you believe is inaccurate or incomplete.

Thank you for banking with Citizens.

WEB CHAIR REPORT - 6/8/24

Updated/added/removed multiple meetings per website group update forms.

Updated the Tri State Service Committee positions.

Updated BMLT using document from NA World Services.

Posted events onto TSRSCNA Twitter account.

REGIONAL P & A MEETING 05/11/2024

The MAY Regional Policy and Addminastration meeting met on MAY/11 with 8 in attendance. The Chair Rich open the meeting with the Serenity Pray and then read and commented on Tradition 5 and Concept 5. The committee chair, Rich them asked the regional Treasure, Tracy to give his assessment on regional funds. Tracy gave his assessment and concluded that the region account is in good standings.

The question was brought up on what progress has been made in having our 12 concepts updated to reflect current verbiage. The topic was discussed in depth and Gary explained the lengthy process involved. It was then decided that Gary, our RDA, will write the motion that would eventually be present to world.

Next our new PR chair Jeramy told us he had a chance to look at PR Subcommittee policy and there was only one thing that stood out. Policy states that the PR Subcommittee shall meet monthly which is incorrect. All subcommittee meet bi-monthly. A matter to be addressed by PA.

The next topic brought up by the area chair, Megan, was to post the regional meeting minutes on the regional website while adhering to guidelines in our policy.

Anonymous / Anonymity no names just title. This was discussed a little and was decided more time will be needed to come to a practical solution.

Lastly, the need to update Regional policy to reflect the moving of Sponsorship behind the wall program From the Out Reach Subcommittee responsibility to the H and I subcommittee responsibilities was discussed. It was decided a motion would be needed to make these changes to policy.

We closed with the serenity pray.

Next meeting will be 10:30 am on July 13 here at the regional office.

Thank you.

Regional Delegate Alternate Report, Tri-State RSC 6/8/24

Since last RSC meeting:

RDA participated in a Zonal ad-hoc meeting for Zonal Sponsorship Behind the Walls 4/27/24:

Troy S also participated, as the MZF has determined that Tri-State is providing a model of leadership with respect to policy and procedure for SBTW, and the committee has asked that we begin sharing our framework, as other Regions in our Zone would like to follow our lead. Are we open to sharing with the Zone and helping to standardize SBTW across the Zone?

RDA was unable to attend the Conference Participant Webinar on 5/18/24, and communicated this via email, but did review the recorded meeting material. Topic focus was on Human Resources in NA and the selection of Regional, Zonal, and World Board members. This was educational only, RDA has access to material provided and can forward as requested.

RDA participated virtually in the Midwest Zonal Forum meeting on 6/1/24: Concern: No RD report has been submitted by Tri-State for the last 2 MZF meetings, the MZF has questions about RD participation, and would like to visit our RSC via Zoom in August to make contact with us and offer support, if we are receptive to having them or we feel we need the support? MZF feels Tri-State adds value. Major Points: Zone is focusing on helping Regions understand the value of the Zone, a presentation was given to illuminate this, and RDA obtained contact information for Dennis, who gave the presentation, which is also available on YouTube, although this information is dated compared to the presentation Dennis gives:

Dennis:

spiritual.theory@gmail.com 315-719-6387

We are able to reach out to Dennis if we as a Region would like him to come give this presentation to our RSC, since we've been asking questions about this topic in particular.

MZF is still working to schedule a meeting for the ad-hoc Mentorship committee.

Next MZF will be held virtually for Q3, date will be announced due to possible conflicts with the World Convention.
