We last met 3/7/19, at Warren General Hospital with 7 groups represented. A new H&l chair was selected filling all area trusted servant and sub-committee positions. Our PR committee updated the approx. 30 posters containing the helpline number and our meeting schedule. On Monday they will go to Kane to place posters in some new locations. They are also looking into beginning a website. On 3/31 we held our annual sponsorship dinner with approx. 35 in attendance and the event was deemed a great success. Our next events are 4/26, a movie night, at 1st Lutheran Church, and in May, NATure, a flimsy tossing, rock collecting extravaganza at the state pavilion on Hatch Run Rd. Our events committee has an activity every month. Planning is also underway for our spiritual retreat in August and we’ve brought information regarding that. As usual food was provided by members for the meeting. YIS Brian J, RCM

### ELECTRONIC TRANSFERS

**In Case of Errors or Questions About Your Electronic Transfers**

For Consumer Accounts Used Primarily For Personal, Family, or Household Purposes)

Phone us at the customer service number provided on Page 1 of this statement or write to us at the customer service address provided as soon as you can, if you think your statement or receipt is wrong or if you need more information about an electronic transfer on the statement or receipt. We must hear from you no later than 60 days after we send you the FIRST statement on which the error or problem appeared.

* Tell us your name and account number, if any.
* Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
* Tell us the dollar amount of the suspected error and, if possible, the date it appeared on your statement or receipt.

It will be helpful to us if you also give us a telephone number at which you can be reached in case we need any further information.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

(For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.)

### OVERTRAFT LINES OF CREDIT

**BILLING RIGHTS SUMMARY**

What To Do If You Think You Find a Mistake On Your Statement:

If you think there is an error on your statement, write to us at the customer service address provided as soon as possible.

In your letter, give us the following information:

* Account information: Your name and account number.
* Dollar amount: The dollar amount of the suspected error.
* Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after you receive the statement. If you do not, we may not investigate any potential errors. You must notify us of any potential errors in writing. You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

* We cannot try to collect the amount in question or report you as delinquent on that amount.
* The charge in question may remain on your statement and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
* While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

We can apply any unpaid amount against your credit limit.

---

**INTEREST CHARGE CALCULATIONS FOR OVERTRAFT LINE OF CREDIT ACCOUNTS BASED ON AVERAGE DAILY BALANCE COMPUTATION METHOD**

**Calculating your Interest Charge**

We calculate the interest charge on your Overdraft Line by applying the Daily Periodic Rate to the Average Daily Balance. Then, we multiply that result by the number of days in the billing cycle in which a balance is owed on your Overdraft Line. This gives us the total interest charge for that billing period.

**Calculating your Average Daily Balance**

To calculate the average daily balance, we take the beginning balance of your Overdraft Line each day (which does not include any unpaid interest charges or other fees), add any new loan advances as of the date of those advances and subtract any payments or credits. This gives us the daily balance. Then, we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of your account.

---

**Credit Bureau Reporting**

We may report information about your Overdraft Line to credit bureaus for each joint account holder of your checking account. Late payments, missed payments, or other defaults on your Overdraft Line may be reflected in your credit report.

Thank you for banking with Citizens Bank.

INTEREST CHARGE CALCULATIONS FOR OVERDRAFT LINE OF CREDIT ACCOUNTS BASED ON AVERAGE DAILY BALANCE COMPUTATION METHOD

Calculating your Interest Charge
We calculate the interest charge on your Overdraft Line by applying the Daily Periodic Rate to the Average Daily Balance. Then, we multiply that result by the number of days in the billing cycle in which a balance is owed on your Overdraft Line. This gives us the total interest charge for that billing period.

Calculating your Average Daily Balance
To calculate the average daily balance, we take the beginning balance of your Overdraft Line each day (which does not include any unpaid interest charges or fees), add any new loan advances as of the date of those advances and subtract any payments or credits. This gives us the daily balance. Then, we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of your account.

Credit Bureau Reporting
We may report information about your Overdraft Line to credit bureaus for each joint account holder of your checking account. Late payments, missed payments, or other defaults on your Overdraft Line may be reflected in your credit report.

Thank you for banking with Citizens Bank.
NEZF Minutes Virtual Meeting February 24, 2019

Meeting opened at 3PM

Roll call: 11 out of 12 present. NNY absent. Quorum met. New RDA Toni from TriState. 27 persons were on the call.

Approval of the minutes from October and December. No objections to approving the minutes.

Ad Hoc PR Report: Wilvena. Friday, February 1st. The PR ad hoc Subcommittee was invited to support the Professionals Day in Waterloo, NY. Three members of the ad hoc made phone calls, emails and mailings. Four regions from the ad hoc: Mid-Atlantic, Western NY, Eastern NY and Vermont participated in the event.

Webservant Report: Jeremy

I had a request about putting events into our website calendar. The form accepted entry of Zoom online meetings so now we have virtual meetings listed. So going forward the minutes will be posted to the website. There is a form on the website for those who are interested in attending the virtual meetings. Five people filled out the form and requested the zoom link. Those people are in attendance at our today.

Old Business:

Proposal: To make the ad hoc a standing committee. Based on the minutes of the last meeting we had a Straw Poll of all Regions in favor and one Region that was unable to get a conscience. So that vote was Tabled until today.

Straw Poll: All those in favor of the PR ad hoc becoming a standing subcommittee? In favor 10. None opposed. One abstention. No strong objections voted. Consensus is reached for a Standing Public Relations Subcommittee.

Guidelines and Chairperson requirements will have to be created.

Proposal: That the 12 member Regions consider funding equally 1 the account for Zoom and website hosting expense @ $23.50 a Region.

Straw Poll: In favor: 9, 2 abstentions, none opposed.

Discussion:

ENYR: Since two Regions were unable to get a conscience, perhaps one of the next upcoming Proposals should consider a 90-day deadline so that the other Regions can get a conscience. Discussion or questions raised at our next NEZF could also be discussed how other Regions workshop the Zonal Proposals with groups.

GNYR: This proposal concerns housekeeping issues of the Zone and if the Regions that don’t want to pay that amount can be made up by the Regions that do. This is a basic expense.

NER: We may want to move towards getting a more defined threshold of consensus with this body. And if we reach that threshold of consensus, moving to vote very much like we did at the last WSC.
NJR: I make Motions at my Region when Zonal Proposals are made. If one RCM wants that Motion sent back to groups, it will be sent back. I would be in favor of absorbing the cost of the abstaining Regions if the motion is passed.

**Chairperson:** The vote was 9 out of 11, which is consensus support at the WSC. If any Region is strongly opposed, we will not move forward. At some point, we need to move on. Everything is paid for through April and the website is paid through 2019.

**Question:** Is it the case that one Region can stop business from moving forward?

**Chairperson:** According to our Guidelines, if one Region voices strong opposition, we cannot move forward.

Webservert: In 2001, the Guidelines were set up in favor of unanimous consensus, but as the years went by we could see that this approach was problematic. As the years went on it became if a strong majority was clearly in favor, we would move forward. It seems to have evolved at this point to how strongly a Region disagrees. So in the historical perspective, 9 Regions being in favor and 2 abstaining would have passed the Proposal.

**Chairperson:** We don’t need to determine the outcome of this now or in April. We can revisit it again and I’m going to move on to Proposal 3.

**Proposal 3:** To modify the NEZF Purpose in the Guidelines by adding “We identify our member Region’s common needs, to work with member Regions and their respective subcommittees, to plan and facilitate multiregional service efforts that address those needs.”

**Straw Poll:** 8 in favor, none opposed, 1 abstaining.

**Discussion:**

NNE: It is suggested that this Proposal be handled the way Proposal 1 was handled because there was a two month tabling of this as well. Also, a Proposal will be submitted to more closely define consensus. It will be a modification to the Guidelines if anyone else wants to collaborate on that effort.

GNYR: With the approval of Proposal number 1, that would seem in some ways to include Proposal 3.

**Chairperson:** I’m inclined to consider this passed. Proposal two is financial so that has a different implication. I’m more inclined to say that Proposal 3 is passed. There were Proposals to create some requirements.

NNE: So there were several proposals on the floor regarding the Treasurer’s position, and the way we handled them is that we grouped them, and then we agreed in principle to create a Treasurer position, and what that did was create some confusion for me about what we do about the vestiges of the other proposals that were not encompassed by the passage in principle by a treasurer’s position. Which is why I hesitated to send to you my proposal for consideration at this meeting. My proposal was to create a bank account and then specific guidelines for a Treasurer position. The question for the admin body and the RD’s is what do we do with the remaining Proposals and how do they interact with the new one?

**Chairperson:** Mid-Atlantic meets every three months, TriState meets every other month on even months. I’m stating that because, the Proposal that I forwarded to everyone this morning about creating a checking account and then some fairly extensive guidelines about the Treasurer’s responsibilities. We know that MidAtlantic has not been able to get a consensus on the Treasurer’s Guidelines at this point.

MidAtlantic: We have discussed this on the Regional floor and in March I think we will agree that this is a Housekeeping Motion. We did not come to a consensus on the creation of a checking account and they may have a different viewpoint of that in March.
Chairperson: There were multiple proposals regarding the guidelines, given to us in October. I don’t recall the upshot.

NNE: We didn’t make any decisions in October. On the December call we agreed in principle to put a treasurer in place. We tabled both the idea of a checking account and specific guidelines related to the treasurer position. You asked that we bring a re-vamped version of guidelines, which is what caused us to bring this new proposal. It got a little complicated when we talked about a checkbook and specific guidelines. This Proposal is in direct response to what we heard on the December call.

Chairperson: Is it everyone’s understanding that we have a new Proposal and that the old one has been modified? So that in April we will vote on the new Proposal and that will give MidAtlantic to consider it in March.

Vice Chairperson: We should probably hold off on submitting any new proposals for April because we are spending more than half the day doing strategic planning. We will be talking about the future of the zone, how we want to conduct business or do we want to prioritize our efforts, resources and focus on our Guidelines?

Chairperson: We made a decision to have a Treasurer, and those require responsibilities, regardless of what the strategic plan will flesh out. We are going to move forward to the hosting. April 26-28th in Rochester, NY. We decided that we would do strategic planning and I sent in the request to NAWS for participation. It is the suggestion of the Vice Chair that we do strategic planning all day.

Discussion:

WNY: I agree we need to dedicate more time to strategic planning.

ENY: One outshoot that came out to the Professionals Day is that NNY still has problems with clearances and perhaps we could invite Lisa Brenan and do a local workshop about the clearance process to H&I as something that impacts that local community. I’m open to doing strategic planning all day.

Chairperson: Do we have a consensus to devote the whole day to strategic planning?

NJR: NNY is there any local issue that your Region wants to talk about other than strategic planning?

Vice Chairperson: Not really. The fact that we are not used to focusing on those discussions at the Region. Doing PR efforts is a huge step forward. There were no topics brought forward from Areas and the RD’s brought forward no input. My personal opinion is that doing strategic planning would benefit the Region because those who showed up would get to see that process modeled.

NNE: I would like to think about collaboration with neighboring zones. We were asked in the last Conference Participants web meeting if we could participate with neighboring zones on upcoming CAR workshops. I’m thinking about the MERLE and if there was a way to collaborate with the Autonomy Zone or any other neighboring zone? Within planning we could break that into subtopics.

ABCDR: Many of the IDT’s will be covered at the NE Regional workshops and Florida Service Symposium. I’m wondering if there could be any workshops about getting a Regional conscience link in with IDT’s?

CTR: We could just add the IDT Attracting Members to Service. I agree with that something that speaks to the members in Region should be done, something that could assist locally.

ENYR: If NAWS comes, wouldn’t they be scheduling IDT workshops anyway? I observed that happening over here at APF.

GNYR: Strategic planning in my experience can go to so many different places, which is why I mentioned the having subtopics.
Chairperson: On the NAWS request form, I indicated that NAWS should be involved in one session of strategic planning. The Vice Chair stated that having local members participate in the sessions would be of the greatest benefit to that Region and I think none of us being from that Region, we need to respect that. All those in favor of devoting most of our day to strategic planning?

6 in favor.

Chairperson: How about H&I clearance stuff? I see one. We’ll just consider the whole day strategic planning. Moving along, Tristate is next on hosting. I thought I had heard from NJ Region that they would be unable to host at all in 2019. I was corrected on that. The minutes from October say that NJ could not host in April but are willing to host in October. NNJ is actually next on the list. I’ve already asked Steve to secure a location by April and possibly have flyers out.

ENYR: After being invited on the TriState Regional meeting on Zoom, I have observed that the inability to obtain a conscience has a lot to do with not fully understanding what our zone is and does. After reaching out to Steve and speaking to Kristy, I think it may benefit TriState if they were able to host the next NEZF so they could get a better idea of what functioning at the zone is like and get them on board about what is happening.

TriState: My Region has a lot of new people and a lot of people curious about the zone. It is taking everybody longer to make decisions and to get everybody on board. While it was discouraging to see the confusion, it’s encouraging to see the interest. While we have their interest, if Steve is on board I would love their help in maybe teaching my Region a little more about zones, because we still have that ad hoc subcommittee about maybe changing zones, and they want to find out what their value is in our Region. This might be our opportunity to give them those answers. This would be an opportunity to participate actively and to show them what participating in a zone’s value is.

N. NJ: I’m in favor of helping out a Region that could use it. My feeling is let TriState do it and I’ll create a back up in case there is an issue and if we need to we can step in to assist, but if not I say give it to TriState if it can help them out.

Chairperson: If there is no opposition, we can come back to NNJ in 2020. So Kristy, hopefully you can work with Steve and you can have a location secured by April’s meeting. Did anyone have an opportunity to look at the document sent out? I’m going to encourage anyone to reach out to Sam privately. Deadline for submission of new proposals is March 26. March 9th would be a good deadline if you want MidAtlantic to consider it by then.

Meeting closed with the Third Step Prayer.
Zone Ad Hoc Committee Report

The committee met on 3/2/2019 at the Regional office. Present were David J. Bo. and David S. Kristy was to attend via zoom but we could not get the equipment to work. She attended briefly via the phone but had to attend her Area Service Meeting.

The Guidelines for NEZF, MWZF, and the autonomy zone were passed out and reviewed. We discussed the origins of the zones and their original purpose.

Talked about the proposals coming from the NEZF changing the nature of the zone from a discussion and information sharing forum to a more formalized service providing body. Discussed the attitude of the NEZF rep at our last Regional Meeting.

We will explore further if this will benefit our Region and at what costs. There was concern expressed about creating another layer of service when we do not have enough members stepping up to fill our current service positions in our Areas and Region.

We decided we needed to attend each of the Forums to observe how they function and the interactions between the Regions involved.

We are making a motion for the Region to fund a member of our committee to attend each forum.

The next meet will be at the Regional office on 4/20 at noon.

Yours in service,

David S.

Good Morning,
The retreat is next month May 24-26. We are very excited, and looking forward to the retreat this year. With the new meeting topics and adding a regional speaker this year, also some other new things we have decided to do to help the retreat, I think it going to be a great year. I gave all of the regions registrations forms to take back to the areas. We had our last meeting April 7th here at the home office at 10am. Our next activity which will be our last activity for the retreat will be next month, May 5th in McMurray Pa. It will be a speaker jam with food being sold. I have tickets with me if anybody would like to purchase them. We would like to see everyone one come out and support us. This year has been a great year with lots of learning experiences. Looking forward to next month with the committee at the retreat. Thank you for allowing me to serve.

Start To Live 37 Chair Report  
April 13th, 2019

The Start To Live 37 committee continues to form and we and planning for the convention continues. We are still in need of several committee members most notably an Activities Chair. This continues to be an issue as we have not had an Activities Chair or Vice Chair in 3 years.

Our budget for this year has been approved by the BOD. The final report for Start To Live 36 has been submitted to the BOD and will be submitted here today by last year's chair Mike B.

We have scheduled our first event for April 27th at Saint Maria Goretti's in Bloomfield. It will be an event we are calling a "Dinosaur Dance". There will be a meeting with 5 speakers who have 30 years or more and previous convention experience. The meeting will be followed by a dance.

We have been approved by the BOD and the Tri-State Regional Spiritual Retreat to set up a table at the retreat to hand out registration flyers and information about upcoming STL 37 events.

We have made our first purchase of merchandise, and it will be available for sale at the event.

The BOD negotiating team continues conversations with the Erie Bayfront Convention Center to insure that our needs are met both now and in the future. They have a meeting between the 2 parties scheduled for this Monday April 15th. The intent of the meeting is to finalize plans for this year and begin discussions one a new 3-year extension with Erie Bayfront.

As always, thank you for allowing me to serve.

Sincerely,

Justin L.
Good morning,

This will be my final report for Start to Live 36. We finished the year strong. I feel the convention was a huge success. As with any convention it wasn’t perfect and we could make some changes for this year. I am including in my report the final bank statement for January that shows we will be giving the BOD $22,943.42 (keeping our 10,000.00 for startup). This amount is greater than projected which is great. I am also including the actual numbers for each committee showing the Net Income equals that amount. The last document is the weekend worksheet showing that we were really busy over the convention weekend and this is very encouraging for this year’s convention. The final financial report was put together by our treasurer and was submitted to the BOD. We printed out about 20 hard copies and will put all the financial documents on the office computer for anyone that wants to take a copy home. In this modern age of technology, it only makes sense to not print a bunch of hard copies and waste all that paper. The report should be available.

It has been an honor and a real privilege to be a part of this convention. I have served many years on the convention and every year I come away from the convention feeling overwhelmed by the outcome, support and love for recovery that this activity represents. The convention is off to a great start for STLXXXVII but they still need positions filled. Please get the word out and I’m sure Justin will keep everyone apprised of their progress.

I’m sure I will be involved with this year’s convention in some way and I hope everyone continues to support the office and the convention. I want to again thank the region for their support in letting me be the chair of this great convention. It is something I will never forget and will cherish forever. Any questions or concerns please don’t hesitate to ask.

In Loving Service

Mike B
