At your service
Dan K.
Everything that occurs in the course of NA service must be motivated by the desire to more successfully carry the message of recovery to the addict who still suffers...
We must always remember that as individual members, groups, service committees, we are not and should never be in competition with each other. We work separately and together to help the newcomer and for our common good. We have learned, painfully, that internal strife cripples our Fellowship; it prevents us from providing the services necessary for growth.

Basic Text p. xv

To Whom It May Concern:

Please be advised that we, as members of Narcotics Anonymous, have formed what is now known as the Tri-Area Shared Services Committee of Narcotics Anonymous. We are a committee formed from the following three (3) Areas... PASCNA, PICANA and SWANA. These Area Service Committees (ASC’s) have all come together in the spirit of unity and cooperation to coordinate and conduct what will now be recognized as the Tri-Area Convention 3
We invite your organization to participate and join with us as we strive to continue to carry the message of recovery to both the newcomer and the old-timers seeking recovery in the fellowship of Narcotics Anonymous.
All of the efforts of the PASCNA, SWANA and PICANA Areas/Tri-Area Shared Services Committee are inspired by the primary purpose we serve. Upon this common ground we stand committed to every addict seeking recovery, striving to ensure that all have the chance to experience our message and find the opportunity for a new way of life.
Our Convention will be held at the Double Tree by Hilton Hotel in Green Tree Pittsburgh on June 8th thru the 10th 2018. Enclosed you will find copies of our registration brochure, a signup sheet for anyone who may be interested in serving as a Hugger / Greeter Convention weekend, as well as other information about Tri Area Convention 3

"We, who were unable to function as human beings, now find that anything is possible of us.
Dreams that we gave up long ago can now become realities.
Addicts, as a group, have been a burden to society.
In N.A., our groups not only stand on their own, but demand the right to do so."

Everything that occurs in the course of NA service must be motivated by the desire to more successfully carry the message of recovery to the addict who still suffers...
We must always remember that as individual members, groups, service committees, we are not and should never be in competition with each other. We work separately and together to help the newcomer and for our common good. We have learned, painfully, that internal strife cripples our Fellowship; it prevents us from providing the services necessary for growth.

Basic Text p. xv

To Whom It May Concern:

Please be advised that we, as members of Narcotics Anonymous, have formed what is now known as the Tri-Area Shared Services Committee of Narcotics Anonymous. We are a committee formed from the following three (3) Areas... PASCNA, PICANA and SWANA. These Area Service Committees (ASC’s) have all come together in the spirit of unity and cooperation to coordinate and conduct what will now be recognized as the Tri-Area Convention 3

We invite your organization to participate and join with us as we strive to continue to carry the message of recovery to both the newcomer and the old-timers seeking recovery in the fellowship of Narcotics Anonymous.

All of the efforts of the PASCNA, SWANA and PICANA Areas/Tri-Area Shared Services Committee are inspired by the primary purpose we serve. Upon this common ground we stand committed to every addict seeking recovery, striving to ensure that all have the chance to experience our message and find the opportunity for a new way of life.

Our Convention will be held at the Double Tree by Hilton Hotel in Green Tree Pittsburgh on June 8th thru the 10th 2018. STL36 Regional Report

This is the Start To Live regional report for February 2018. Let me start off by saying we still have openings on committees in STL36 and we need support. We are giving the regional committee folders with a flyer on open positions, a request for a logo for STL37 and a flyer on our first activity on April 21st. I must also address an issue that was raised to me about the fact that we never produced a flyer at the December regional meeting stating when elections will be for Start To Live. Let me say that we will make sure that is done at the end of this year and years to follow. So the committee understands we have elections every year at the BOD meeting (3rd Sunday 10AM) in January. All positions needing filled today need to follow the same process, get a nomination from your area and then come in at the BOD meeting and fill out a resume and get elected at the BOD. Please step up if you can serving STL is very rewarding and a great experience, I hope people will join, and anyone can come to our meetings to see how we conduct business. We meet the 4th Sunday every month in the office at 10:30 and all the committees meet on the 2nd Sunday starting at 10 running past noon every month. Call me if you have any questions or need any additional information.

We are starting to put the convention into action for 2018. We will start ordering merchandise, looking at activity ideas and dates and working with BayFront on getting ready for our convention. We will update the website with all hotel information over the next month or so. Remember our convention this year is earlier, November 1, 2, 3 & 4. I will work hard with Erie to make sure all issues and concerns from STL34 are addressed and resolved for our convention this year. When region meets in April we will have more information on registrations at the hotels on site and over flow hotels that have been set up for this convention. The pricing for the convention, packages and registrations has not changed. We are keeping all pricing the same, the only difference at this convention is a banquet table is 10 and not 8 like 7-Springs so tables will be $420 if you want a table. More to come on all of this.

We will keep communication lines open with region and we hope more people will get involved. There isn’t any clean time requirements needed for most of our committees if you just want to help out on a committee and we would love to have people in the fellowship get involved. Thank you ,

In Service

Mike B.
