Notes and flyers from April 2018 Tristate Regional Meeting

Collected by Don K., RCM, and compiled by Ally L, V. Secretary (Area)

There are NOT the Regional minutes
On March 4th we met with 12 trusted servants and 18 GSR’s in attendance. The CAR motions and tally sheets were passed out to all GSR’s in attendance to take back to their home groups. A motion was made for an audit to be performed on the Treasures account. Sarah H was nominated as vice treasurer. The treasures report shows that over $4,000 dollars of money sent to region for literature has not been deposited and the BVASCNA account is showing an account balance in excess of $6,086.94. BVASCNA is requesting that region please deposit all funds as soon as possible to get the account in correct standing.

On April 8th we met with 12 trusted servants and 20 GSR’s in attendance. The CAR motions and tally sheets were collected from the GSR’s. Mike E stepped down as Secretary and was nominated to P&A chair. Opens positions at BVASCNA are Secretary, BOD and RCM B. The treasurers report is still showing a statement balance of $6,279.83 which means that region still has not deposited the literature payments made by BVASCNA. Please deposit the checks as soon as they are received in order to keep area accounts in the correct standing. We had only 1 Area service meeting since last Region. We meet again tomorrow. The meeting was delayed due to the holiday and a church function. Our CAR votes will not be turned in until tomorrow’s meeting; I will send our votes to Christy. We held three CAR workshops since MARLCNA none of them was well attended.

We celebrated our annual Unity Day, it is held on the anniversary of our Area.

We will be holding elections the next two Area meetings all positions are open.

We nominated Frank L for the position of Regional H&l chair. Our H&l committee is doing well and has only a few open positions at the facilities we are covering.

We will be hosting the 1st Regional Picnic. It will be held at Riverside Park in Oakmont on 8/18/2018 from noon until dusk. STL36 Regional Report 4/14/18

This is the Start To Live regional report for April 2018. We are moving along well for our convention this year. We have packages for all areas which include the registration forms for STL36, the only change this year is the price for a table at the convention. The tables in Erie seat 10 so the cost is $420 for a table, all other costs are the same as last year. We have a couple activities coming up, one in April, which that flyer was given at last regional meeting and one on May 19th which that flyer is in the package. We have just finished finalizing the location for our activity in Erie for June 23rd but a flyer has not been created for that, we can forward to the secretary once that is completed.

We are bringing a motion to region to bring back to the groups. This is a policy change for Start To Live guidelines. We want to add to the treasurer section under Section D which states this: "Create a final convention committee financial report", to add this: "Must present the report with the vice treasurer (if filled) at the BOD meeting in January or February when completed." Our intent is so the treasurer can be present to explain the report and clarify any questions or concerns. The report we submitted to the BOD for STL35 was not as complete as we normally submit. Even though all moneys was accounted for and correct, a detailed report is really required after every convention. Our treasurer had personal pressures and didn't submit a thorough report and now is not available to amend the issue. If we change this in our guidelines then that makes the treasurer a little more accountable and this would be the last duty expected of that position before turning it over and moving on. Please table this so it can be taken back to the fellowship and voted on in June.

Our programming committee is working on reaching out to all areas to see if we can get representation of all areas at the convention this year. Please be receptive to them and help us support the fellowship completely at this year's convention. More will be revealed on this agenda.

We will meet every 4th Sunday in the office at 10:30 with all committee chairs and vice chairs. The fellowship is always welcome to attend. The only time we will not be meeting at the office is in June. We are scheduling our walk thru up in Erie on the 4th Sunday in June so we will combine that with our committee meeting. Just letting everyone know.

We feel the convention is coming together great. We could still use some positions, Activities doesn't have a chair. Archives and Auctions needs a chair & vice chair, Convention information needs a vice chair and a vice secretary is needed. Please spread the word that we can always use help and support, even if it's just to help put out some chairs or clean up after an event, being of service helps us in our recovery and keeps us in the middle. Thank you,

In Service

Mike B.

BILLING RIGHTS SUMMARY

In Case of Errors or Questions About Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at the address shown above as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:
- Your name and account number.
- The dollar amount of the suspected error.
- A detailed description of each entry you believe is incorrect.
- The date any deposit that you believe is incorrect was made.

If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while you are investigating, but you must keep the payments that you are not certain about. While we investigate your report, we cannot report you as delinquent or take any action to collect the amount you question.

Special Rule for Credit Card Purchases

If you have a problem with the quality of goods or services that you purchased with a credit card and you were not able to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods and services. We have this protection only when the purchase price was more than $50 and the purchase was made in or near your home state or within 100 miles of your mailing address. (If you live or operate the merchant, or if we paid you, the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

ELECTRONIC TRANSFERS

In Case of Errors or Questions About Your Electronic Transfers

(For Consumer Accounts Used Primarily For Personal, Family or Household Purposes)
Telephone us at the customer service number provided on Page 1 of this statement or write us at the customer service address provided above as soon as possible. If you think your statement or receipt is wrong or if you need more information about an electronic transfer as the statement or receipt. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared.

- Tell us your name and account number, if any.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you believe there is an error.
- Tell us the dollar amount of the suspected error, if possible, the date it appeared on your statement or receipt.
- It will be helpful to us if you also give us a telephone number at which you can be reached in case we need further information.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (20 business days if you are a new customer, for electronic transfers occurring during the first 90 days after the first deposit is made to your account) to do this, we will credit your account for the amount that you think is in error, so that you have the use of the money during the time it takes us to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we will credit your account at the conclusion of our investigation.

FINANCE CHARGE CALCULATIONS FOR OVERDRAFT LINE OF CREDIT ACCOUNTS

BASED ON AVERAGE DAILY BALANCE COMPOSITION METHOD

Calculating your Finance Charge

We compute your finance charge by multiplying the Average Daily Balance of your account by the Daily Periodic Rate and then multiplying the result by the number of days the billing cycle.

Calculating your Average Daily Balance

To get the average daily balance, we take the beginning balance of your account each day (which does not include any unpaid finance charges or fees), add any new overdraft line of credit transactions over the date of the transactions, and subtract any payments or credits. This gives us the daily balance. Then we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the average daily balance of your account.

Negative Information

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Change of Address

Please call the number shown on the front of your statement to notify us if a change of address.

Thank you for banking with Citizens Bank.
